Adult Learning Prospectus
Summer Term 2023/24

UPDATED March 2024

HALTON
BOROUGH COUNCIL

Welcome to Adult Learning

I'm really pleased to present you with our 2023/24 Adult Learning Prospectus.

Getting involved in Adult Learning is a great way to meet new friends, learn new skills, and support you in developing your career. We have a wide range of subjects on offer this year so please take the time to browse our Prospectus to see what sparks your interest! However, if you would like any further information about any of our courses then please give us a call or drop in to one of our enrolment days, where we will be happy to talk through your options in more detail.

Halton's Adult Learning Team provides a supportive and inclusive learning environment and we welcome all individuals and skills levels. I look forward to seeing you in class very soon! So, whether you are looking to return to work and want to enhance your employability skills or are retired or just want to broaden your horizons, please come and visit us and we will be very happy to help you make the right Adult Learning choice for you.

Siobhan Saunders

Divisional Manager
Employment Learning & Skills

Meet the Learner Services Team

From left to Right, Elaine Johnson, Lorraine Prendergast, Lindsay Bowles, Jenny McMullen

Your Learner Services team are there with you at every step of your enrolment journey. They'll give you impartial Information Advice & Guidance to help you choose the best course for you – they'll also help with Careers and course progression advice!

Change Your Life

learn something new

Why Learn With Us?

Join an Adult Learning course with Halton Borough Council and you will learn in a relaxed, friendly environment with small class sizes. All our community venues are easily accessible and last year over 95% of our learners said that our centres were welcoming and our staff were friendly and helpful. As well as our class based courses, we also offer a number of online courses where you can study in the comfort of your home – all you need is access to the internet and a smart phone or computer.

Our learners tell us that Adult Learning has helped them to:

- Build confidence
- Make new friends
- Find a job
- Learn a new skill or hobby
- Start their own business
- Improve personal wellbeing
- Progress to further learning

Come and see what Adult Learning can do for you!

Learning for All

So What's Stopping You?

I never enjoyed school...

Learning in a community venue is not like learning in school. Whether this is your first qualification or whether you want to develop a new skill we can help you choose the course that's right for you and support you every step of the way.

I can't afford it...

The majority of courses are free and we try to minimise costs for learners. Some courses have fees attached but you may be entitled to fee remission depending on your circumstances. We also now have access to a Hardship Fund where, if you are eligible we may be able to help with funding for things like Childcare fees, transports costs and other course related costs, like stationery, text books etc.

I'm nervous around new people..

Most of our courses run with small class sizes in a relaxed environment. All of our tutors are friendly and approachable and you will receive all the support you need while on course. Our friendly support staff are on hand to answer any queries and make sure you choose the course that's right for you. Over 97% of our learners said their confidence had improved after attending an Adult Learning course.

Don't just take our word for it, this is what our learners say ...

Fantastic tutor & lovely room. I am really enjoying my course

I enjoyed learning new things, I always had help & support

It feels good to achieve something

What Support is Available?

Our learners come with a wide range of abilities. We can offer additional help with maths, English and ICT if needed and we offer a range of support for learners with visual and hearing impairments, dyslexia and physical support needs. This can take place in a variety of settings, from the classroom to individual one-to-one discussions with your tutor.

Learning Facilities

Our main Learning Centres are fitted with a good range of equipment including interactive whiteboards, tablets and computers. In addition, our main centres have height adjustable tables installed and disabled access toilet facilities.

What Next?

At the end of each course our tutors offer guidance on the next steps available to you, this can include:

- Access to information, advice and guidance through the National Careers Service
- Advice on community volunteering
- Links with Jobcentre Plus
- Signposting to local colleges
- Information on other courses
- Advice on employment options

The National Careers Service is interested in helping people to unlock their potential through employment, skills and training.

Are you looking for careers advice to help find out about access to training to enhance your skills?

Are you seeking guidance on the work options available to you?

Do you need practical job search support such as CV drafting, interview tips and advice on how to gain the job you want?

If the answer to any of the questions above is yes you would benefit from accessing face to face support from the National Careers Service.

To make an appointment to receive one to one advice with a qualified advisor please contact National Careers Service by calling 0800 100 900.

Appointments are available in Runcorn and Widnes and can be arranged at a time and date convenient to you.

Don't miss out, book today!

Ready to Enrol?

Come along to one of our enrolment days where you will receive help and advice to choose the best course for you. **Our friendly staff will be on hand between 10.30 am and 5.30pm to welcome you to one of our centres.** Alternatively, call our office on 0151 511 7788 to arrange an individual appointment.

What you need to bring with you

- Some form of ID – e.g. Driving licence, letter addressed to you
- National Insurance Number
- If you are in employment, proof of earnings – e.g. Wage slip (within 3 months), contract, P60
- Payment if applicable
- Proof of benefit if you require fee remission
- You will be asked about your highest qualification, employment status and residency eligibility if applicable
- Proof of your highest qualification and residency status (if applicable)

Adult Learning Enrolment Dates

We are now taking bookings for our enrolment days:

Our Summer Term enrolment dates are:

Kingsway Learning Centre:
Wednesday 10th April 10.30 – 5.30

Acorn Learning Centre:
Tuesday 9th April 10.30 – 5.30

If you are interested in any courses, please contact us to arrange an appointment:

Tel: 0151 511 7788

Functional Skills Maths & English

Improve your English skills and start working towards a nationally recognised qualification. The Functional skills English courses are fun, exciting, challenging, but rewarding! By enrolling on an English course, you could improve your job prospects or progress in your current role. You could learn how to help your children with their homework too.

The Functional English courses will also give you confidence in using your skills in topics such as:

- **Writing**
- **Reading**
- **Spelling, Punctuation & Grammar**
- **Speaking & Listening Skills**

Functional Skills maths – Entry Level to Level 2

Improve your maths skills and start working towards a nationally recognised qualification. The Functional Skills Maths courses will give you confidence in using your skills in everyday situations such as budgeting, working out discounts in sales as well as the opportunity. Tutors will work with you to design your own learning programme, which will include individual and group work. Classes are delivered in a safe, comfortable learning environment.

The Functional skills maths courses are fun, exciting, challenging, but rewarding! The functional skills maths courses can help you build confidence in a wide range of maths related topics including:

- Fractions
- Decimals
- Adding & Subtracting
- Percentages
- Ratios
- And so much more!

Here's what Antoinette Bell-Hewitt says about studying maths and English; *“Studying here at Adult Learning is great! When I first came here I was nervous, it'd been a while since I'd done maths, but I wanted to improve my skills to help me achieve my goal of becoming a Teaching Assistant, it's also helped me to help my children with their homework – it also inspires them to do theirs as we can all help each other!”*

Entry 3 & Level 1 Essential Functional Skills in ICT*

This is an excellent course to develop your mathematical skills at Entry 3. The course is intended to aid progression to further study onto our Mathematics Functional Skills Qualifications. During this 12 week course, you'll learn some basic maths topics, such as:

- Number Skills
- Addition and Subtraction Skills
- Multiplication of Whole Numbers
- Division of Whole Numbers
- Fractions Skills

Don't let maths hold you back at home or work! Come along to a maths drop in session to find out more (see course list for dates and times)

Computer Skills

We believe that everyone should be able to engage in a digital world if they choose to, therefore all of our computer courses are free of charge. We deliver a range of computer courses here at Halton Adult Learning. Our friendly classes will take you step by step through a range of computer packages to make some of those everyday tasks much easier!

Entry 3 & Level 1 Essential Functional Skills in ICT*

These are excellent courses to develop your understanding and skills in IT. It will enhance your understanding of staying safe online whether you are working, shopping, searching for information or staying in touch with friends and family. This step by step course will give you the confidence and ability to develop your IT skills and gain a recognised qualification in a positive and supportive learning environment

Entry 3 & Level 1 Essential Digital Skills*

The skills acquired through this qualification help you to be digitally mobile and confident in accessing a range of platforms or digital searches, online purchases and transactions, and use technology in essential life situations.

The aims of the course are to enable learners to:

- Develop essential digital skills necessary for work, life and further study
- Interact with digital devices and handle information appropriately
- Create, edit and store digital content
- Share content and communicate effectively using digital devices
- Develop transacting skills necessary for work and life
- Be safe, confident and responsible online

New Course - Entry 3 Award in Creative Digital Media – Social Media

Are you interested in learning how to use video clips in social media? This course is designed to develop fundamental skills in videography for use in social media channels. You will also learn how to keep yourself safe online and be able to interact on the internet with confidence.

Topics covered:

Learners will cover a few different areas, with two mandatory units:

- Using a device to record and edit a short film
- Using videos in a business social media account

By the end of the course, the learners will have a good understanding of the following areas:

- Experience in using cameras to take video clips
- Planning, scripting and shooting a short video
- Transferring files from one storage device to another
- Use digital media to identify how a company promotes services or products
- Plan and promote a service using your own video

New Course - Level 1 Award in Creative Digital Media – Journalism

New Course - Level 1 Award in Creative Digital Media – Journalism

Are you interested in learning how to begin a career in journalism? Do you know how to create basic documents and want to learn how to design articles and publications, Or have you wanted to understand what newspapers and magazines do behind the scenes?

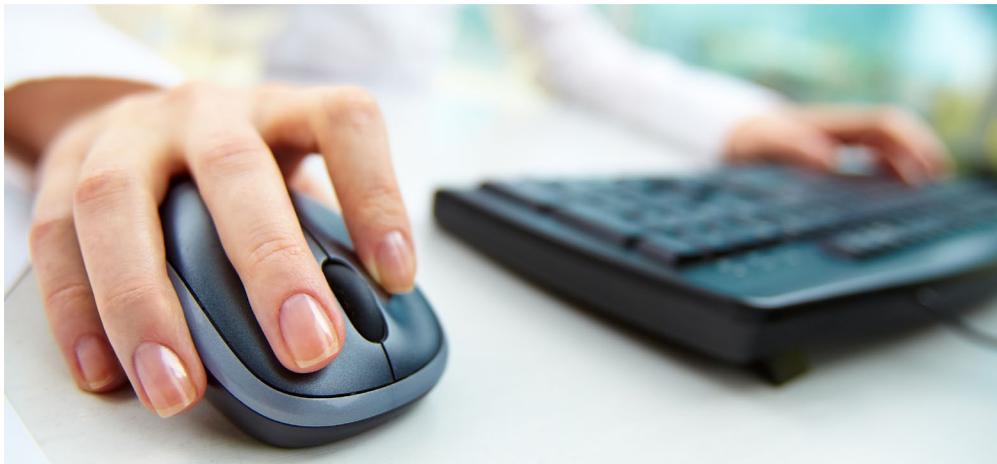

This course is designed to develop essential journalistic skills, as well as document design and formatting. You will also learn how to keep yourself safe online and be able to interact on the internet with confidence, as well as understand why different articles have different styles.

Learners will cover a few different areas, with two mandatory units:

- Creating Digital Content
- Understanding Journalistic Writing

By the end of the course, the learners will have a good understanding of the following areas:

- Experience in designing a digital publication that includes text and images
- Store and retrieve files on both local and remote storage
- Create your own digital publication
- Know how journalistic writing differs from other forms of writing
- Know the purpose of journalistic writing
- Understand the need for accuracy in journalistic writing.

Distance Learning

DISTANCE LEARNING COURSES

Do you want to study at a time that suits you? Do you want to develop your skills or explore a new area of learning? Well, Halton Adult Learning has just that offer! We are now launching a range of Distance Learning courses that allow you to study in your own time to enhance and develop your skills and knowledge. You will have your own digital assessor to support you through the process, giving you regular feedback to ensure you get the best out of your online studies.

Courses Offered are:

To find out what Distance Learning courses are available, take a look at the course list section on the next page.

ESOL

We are now offering English Speakers of Other Languages (ESOL) courses in Runcorn library. If you are interested in finding out more, please register your interest via email at

adult.learning@halton.gov.uk

Childcare

Our Childcare programme will equip you with the skills and experience you will need to undertake a career in the childcare sector. Our courses are relaxed and informal and you will be supported by skilled and experienced teaching staff throughout.

In addition to the course fee, there is an additional one-off charge of £30 which covers registration with CACHE, the examination awarding body.

L1 Certificate in Caring for Children

An introductory course starting in January for learners with little or no experience of childcare, who are thinking of a career in Primary, Secondary or a Special School setting. This L1 qualification is a good **introduction** to childcare and will give a good grounding for those wishing to undertake the L2 Certificate in Supporting Teaching and Learning in Schools. Some of the topics covered include:

- Understanding Play for Early Learning
- Sharing Learning Experiences with Children
- Respecting and Valuing Children
- Supporting Healthy Choices
- Communicating with Children

This is an 22 week course and you will need to attend one 5 hour session per week to achieve the course aims.

The L1 course fee of £120 is payable at enrolment or in 2 instalments of £60 per term, payable before the first day of each term.

New Course - Level 1 Award introduction to Early Years Settings

This is an fantastic course if you are interested in developing your knowledge and understanding of child development and exploring a possible career in the Early Years sector. Additionally, this course will provide you with an excellent starting point to progress onto other courses we offer around child development and teaching assistant qualification or indeed progress onto wider courses offer in the local area. Topics covered include:

- The value of play for babies and young children
- Management and organisation in an early years setting
- Roles and responsibilities in an early years setting

L2 Certificate in Supporting Teaching and Learning

A full year course, starting in September, for learners with little or no experience of childcare, who would like to work in a Primary, Secondary or Special School setting. This recognised L2 qualification is the industry standard to work in a supervised role. This course is suitable for learners wanting to work as a Teaching Assistant, Learning Support Assistant or Special Educational Needs Assistant. Some of the topics covered include:

- Child Development
- Health & Safety / Safeguarding
- Supporting positive behaviour
- Supporting learning activities
- Communication Skills

Please Note: You will need to be working or on a practical placement for at least a total of one day per week for the duration of the course in a learning environment (school or college) as you'll need to show competence in both skills and knowledge.

This is a **full year course** and you will need to attend one 5 hour session per week to achieve the course aims.

The L2 **course fee of £180** is payable at enrolment or in 3 instalments of £60 payable before the first day of each term.

Learners enrolling on the L2 course will be subject to an enhanced **Disclosure and Barring Service check**. The cost for this is currently £44.

Added Value:

Although not a qualification requirement, all childcare learners are offered the opportunity to gain a **L3 First Aid qualification** at a subsidised rate to enhance their employability skills.

We asked our learners what they liked most about our Childcare courses, this is what they said:

I liked how laidback the course was but everything always got done to a good standard and on time, the tutor is brilliant.

Did you know?...

Last year:

100% of learners said their course was well taught and met their needs.

100% of learners completing the course gained a L2 qualification.

92% of employers who provided childcare placements said they would be willing to, or had already, employed their student

Education & Training

Halton Adult Learning are pleased to offer 2 new Level 3 course in Education & Training which are ideal for anyone thinking of becoming a tutor or a trainer. We deliver two types of courses;

Level 3 Education & Training

This 20 week course is an introduction to teaching. It is ideal for anyone who is not currently teaching or training but who are already qualified in their intended teaching subject. It also provides an introductory teaching qualification for new teachers, trainers and assessors. This course is specifically for individuals intending to teach in FE Colleges, a Community Learning and Skills providers, independent training providers, local authorities and voluntary organisations.

Level 3 Pathways to Teaching

This course includes the Level 3 Education & Training course outlined above, but also includes the following additional qualifications:

L1 Award in Safeguarding for Work, Education and Life

Entry 3 Award in Equality and Diversity

Entry 3 Award in British Values

There will also be an opportunity to have a work placement here in the Adult Learning team where you will be able to work alongside our dedicated tutor team in your chosen subject area.

There is entry criteria for both courses, please contact Learner Services to find out more

Creative Writing

Our two Creative Writing courses are delivered by two local, published authors who together bring years of experience in storytelling.

How to Write a Children's Story

Through interactive sessions, you'll learn to captivate young audiences and enhance their listening skills. Whether you're a parent or passionate about nurturing children's literacy, this program will ignite your interest in Early Years Literacy.

Completion will guide you towards further qualifications in Early Years settings or teaching roles.

On this course you'll also:

- Discover the joy of children's storytelling and learn how to create your own captivating stories for children.
- Develop interesting and relatable characters that young readers will love.
- Learn the secrets of crafting exciting plots that keep young readers engaged.
- Create vivid and immersive settings that make your children's story come to life.
- Master the art of writing dialogue that sounds natural and brings your characters to life.
- Use simple techniques to make your writing descriptive and engaging.
- Learn easy editing strategies to improve your story and make it shine.
- Receive friendly and constructive feedback to help you grow as a writer.

We'll cover:

- Early reading skills like letters, sounds, rhyme, and repetition to boost speech and word recognition.
- The wider EYFS standards, focusing on social and emotional development through relatable storytelling.

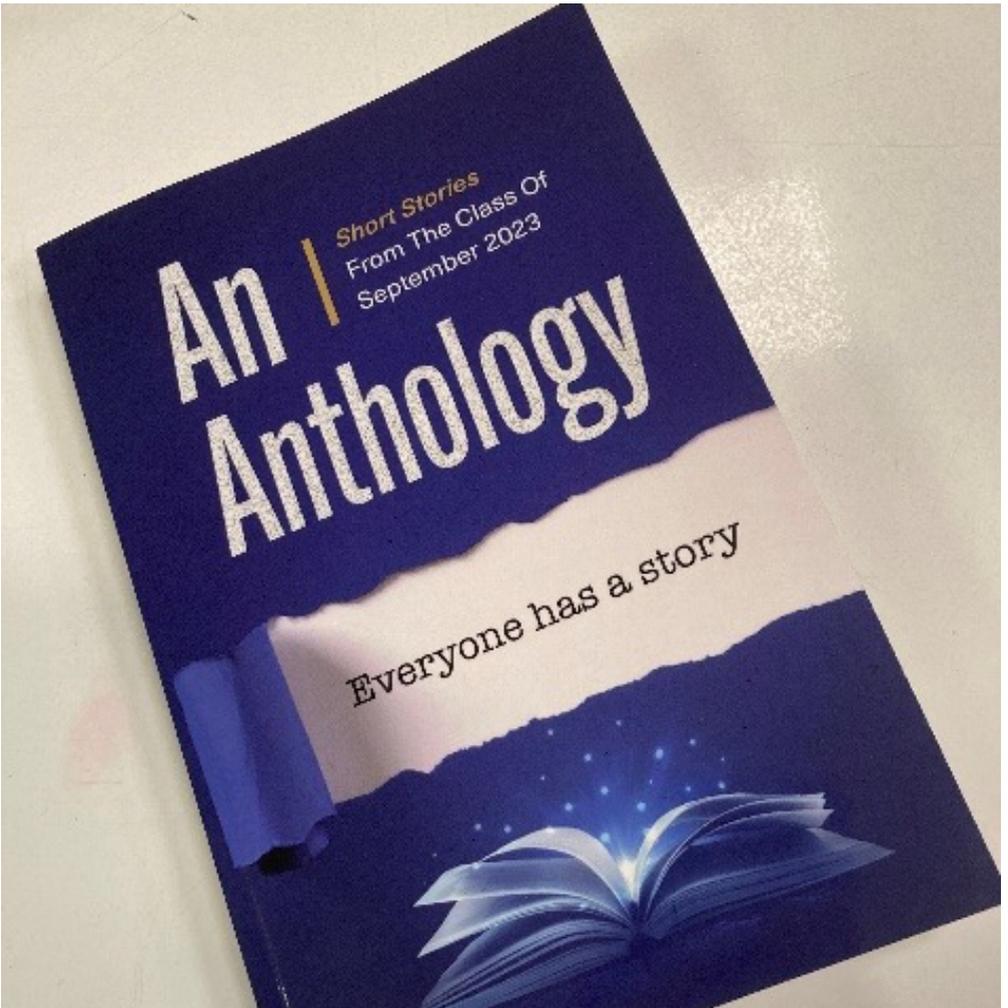

Creative Writing – Write your own Adult short story

Ever had that burning desire to write your own short story but didn't know where to begin? Our Creative Writing Short Story course could be just what you are looking for to get you started! On this course you'll:

- Discover the joy of storytelling and learn how to create your own captivating stories.
- Develop interesting and relatable characters that readers will love.

- Learn the secrets of crafting exciting plots that keep readers engaged.
- Create vivid and immersive settings that make your story come to life.
- Master the art of writing dialogue that sounds natural and brings your characters to life.
- Use simple techniques to make your writing descriptive and engaging.
- Learn easy editing strategies to improve your story and make it shine.
- Overcome writer's block with practical tips and exercises.
- Receive friendly and constructive feedback to help you grow as a writer.

Join us on this exciting journey, where we'll guide you step-by-step in a supportive and encouraging environment. No need to worry if you're nervous or new to writing—we're here to help you gain confidence and enjoy the process of writing!
